

Catholic Charities News

October is already wrapping up, along with Domestic Violence Awareness Month. I had the chance to visit the St. Martha's Open House at the drop in center recently and was so impressed. So much information and support is available to those in need, as well as anyone who has questions and want to be aware of resources. And, the staff! Really incredible. I encourage everyone to check out all that is offered through Catholic Charities St. Martha's.

<http://saintmarthas.org>, including emergency shelter, resources and compassionate care. Pick up information at the back of church, especially the small trifold cards. One of the best ways to help others experiencing domestic violence and seeking help is to provide a resource.

Looking Ahead....

November is National Adoption Month, helps us build awareness! Catholic Charities Ministry, Good Shepherd Children and Family Services directly supports families and children. More information and resources are coming soon.

Also, I'll be attending the Marygrove Lunch Club on November 7th. If you'd like to come along, let me know. It would be great to learn together! Marygrove provides a continuum of therapeutic services for children and young adults. Contact me by November 3rd if you'd like to attend.

I'm looking into plans for a Holiday Food Drive to benefit parishes impacted by the May 16th tornado. Watch for more information coming soon.

To learn more or to get involved, please contact me, St. Cronan's Church Ambassador, Kelly Collins at kelly.collins60@gmail.com, 630-631-8790.
